

**HYDROMASSAGE**  
INNOVATION IN RELAXATION

## ***What is HydroMassage?***

HydroMassage is a great way to cool-down and relax for 10-minutes after your workout. During your massage, you'll remain fully clothed and comfortable as waves of heated water target your sore, achy muscles. You can adjust the intensity, speed, and the massage location settings on the HydroMassage Touchscreen to create your perfect massage. Total relaxation awaits!
